- Maintain distancing in marshalling area (we already encourage distance between dogs)

Provide handwashing/sanitising facilities

- Handwashing facilities/ hand sanitiser readily available
- Promote exhibitors having their own hand sanitiser

Limit handling of agility equipment

- Specify a ring crew for the day and the ring crew will be the only people involved in course building and course changes

Provide appropriate personal protective equipment (PPE) to volunteers and workers

- Handwashing/sanitising facilities available. Sanitiser should be available at the score table, the equipment trailer and in the marshalling area. Exhibitors are also encouraged to have and use their own sanitiser as part of the own personal trial kit
- Bar Setters and course builders will required to hand sanitise before and after handling agility equipment.

Option 2: Family member or friend can leash run for those not wanting to carry leash on course (handler should provide hand sanitiser/gloves to their leash buddy). Option 3: Rostered leash walker will use a grabber tool to move the leash from the start line to the finish line. The gripper will be dipped into appropriate cleaner between runs so as to reduce cross contamination. The gripper Handle will be cleaned appropriately after use by the rostered leash walker.
- No communal food – this includes BBQ's, score table lollies
- Ribbons will be collated and bagged for those wanting ribbons by a trial official and collected at the end of the trial day. Exhibitors are encouraged to consider trial credits instead of ribbons where offered by a club. The trial official will hand sanitiser regularly whilst collating ribbons.

ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID-19

This Form must be completely filled out by each attendee and participant, including children.

The novel Coronavirus (“COVID-19”) has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies have recommended social distancing and have, in many locations, prohibited or limited the congregation of groups of people. The North American Dog Agility Council, LLC and NADAC Australia, (hereinafter “NADAC”), has put in place preventative measures to reduce the spread of COVID-19; however, NADAC, cannot guarantee that you will not become infected with COVID-19. Further, attending and/or participating in a NADAC trial could increase your risk of contracting COVID-19.

By signing this document, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 as a result of attending and/or participating in a NADAC trial and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at a NADAC trial may result from the actions or inactions of myself or others. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for my decision to attend and/or participate in a NADAC trial, and any personal injury, disability, illness, death, damage, loss, claim, liability, or expense of any kind, that I may experience or incur in connection with my participation in a NADAC trial.

I hereby release, covenant not to sue, discharge, and hold harmless NADAC, its directors, officers, employees, agents, representatives, volunteers, members, successors, and assigns, local trial hosts, judges, and participants from any and all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating to my attendance and/or participation in a NADAC trial. I understand and agree that this Assumption of Risk and Waiver of Liability Relating to Coronavirus/COVID19 covers any claims based on the action or inactions of myself, NADAC, its directors, officers, employees, agents, representatives, volunteers, members, successors, and assigns, local trial hosts, judges, and participants, regardless of whether a COVID-19 infection occurs before, during, or after participation in any NADAC trial.
