Brief Summary of Rules:

Please refer to www.nadacaustralia.com for a full explanation of all NADAC rules and up to date information.

- Please note that NADAC trials should provide a safe and fun environment for both exhibitors and their dogs.
- Aggressive dogs will not be tolerated and will be excused from the trial.
- The show committee has the right to refuse any entry. Anyone not currently in good standing with NADAC will not be allowed to enter this trial.
- Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and agree to abide by all rules in effect at the time of this trial.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.
- Checks not honored by the bank do not constitute a valid entry fee. There will be a \$25.00 service charge for bank returned checks.
- Dog must be registered and have a valid registration number before entries will be accepted. [NADAC Dog Registration is required for NADAC Australia sanctioned trials.](#)
- A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: www.nadacaustralia.com
- Bitches in heat, lame, or blind dogs are ineligible for entry, as is any dog with a deformity which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely, and in a manner that is in the best interest, health and welfare of the dog.
- No food, clickers, or other aids or devices shall be permitted on the course or within 10 feet of the ring. Food or a small non-audible toy can be in a secure container (ziplock bag is acceptable) in your pocket during your run but you cannot indicate to the dog it is there. All handlers may bring a non-audible toy into the ring for training purposes. They cannot earn a Qualifying score and must declare to the judge they are training before they commence their run. Please read the Exhibitor's Handbook for more information about toys and training in the ring.
- The sponsoring clubs will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result be accident or other cause. It is distinctly understood that every dog at this event is in the care and control of his owner or handler during the entire time the dog is on the show premises.

The trial you are entering is using slatted contacts.

For many years slats have NOT been used in NADAC trials. The reasons for this is that with the lowered height of the NADAC A-frame, and the advent of rubber coated equipment, NADAC found that slats became entirely useless in the sport. As the dogs had more than enough grip with the rubber coatings.

NADAC was the first organization to use rubber contacts, and we feel that the removal of slats was the correct and logical next move.

The reason we are allowing slats is to encourage new clubs to try NADAC, this way they do not have to purchase a specific set of equipment for NADAC. And to help struggling clubs who can't afford the NADAC spec contacts.

The new generation of slats are not a danger to dogs like the old generation was, so while they are not needed for dogs competing in NADAC, it won't hurt to have them either. It should be noted that any Regional or Championship event that you attend with NADAC will be using non slatted contacts."

ALL ENTRIES ARE LODGED ELECTRONICALLY FOR THIS TRIAL: The entry form will be available on the NADAC Trial App (app links are on the NADAC Calendar Page <https://www.nadacaustralia.com/nadac-australia-event-calendar/>) Once on the App click the horizontal bars top left of screen, find the entry form and enter.
